

Secretariat of Komala announcement

Based on the news that we have received today, the repressive forces of the Islamic Republic have shot at people in the city of Mahabad. Unfortunately as a result a resident has lost his life. We strongly condemn this crime of the regime forces in one of the neighborhoods of Mahabad, named Baghi Shayagan.

The resilient residents of the city of Mahabad have expressed their dissent and have confronted the forces. The news indicated that people have taken over a base of the force there
